Summary

Computer & Information Science student at Brooklyn College focused on frontend development and hands-on software engineering. Build clean, responsive interfaces with HTML/CSS/JavaScript and growing into React and Git-based workflows. Seeking internships/junior roles to contribute to real codebases and grow as a software engineer.

Technical Skills

Languages: Java, JavaScript, HTML, CSS
Frontend: Responsive Web Design, Frontend Development, React (learning/using)
Tools: Git, GitHub, VS Code, GitHub Pages, L^AT_EX
Core: OOP, file handling, basic algorithms, debugging

Experience

Frontend Web Developer (Contract) — Multiplexer Lab

Remote

Frontend / Web

Jul 2025 – Present

- Build and refine responsive UI components and page layouts for web features.
- Translate requirements into maintainable frontend code and iterate based on feedback.
- Use Git/GitHub for version control and collaborate in a remote workflow.

AI Trainer — Domain Expert (Contract) — Handshake

Remote

LLM Evaluation / Prompting

Nov 2025 – Present

- Develop and evaluate prompts to assess large language model (LLM) performance.
- Review outputs for accuracy, clarity, and depth; document issues and provide improvement feedback.
- Conduct quick research to support high-quality evaluation and prompt design.

Shift Leader — Papa Johns Pizza

Jackson Heights, NY

Operations / Leadership

Jun 2022 – Dec 2025

- Led shift teams to maintain service quality and food-safety standards.
- Trained new employees on operational tasks, health protocols, and customer service.
- Handled cash operations, resolved customer issues, and ensured smooth shift transitions.

Projects

Personal Portfolio Website

Live

HTML / CSS / JavaScript

- Built a responsive portfolio site from scratch to showcase projects, skills, and contact info.
- Implemented multi-section layout (About/Projects/Contact) and deployed via GitHub Pages.

Education

CUNY Brooklyn College

Brooklyn, NY

B.S. Computer & Information Science

Expected Aug 2026

- Relevant coursework: Introduction to Java (OOP, classes/methods), Introduction to Modern Programming.

Leadership & Awards

- Senator, Newcomers High School Student Government — organized student events; led anti-bullying presentations.
- Cricket: Most Valuable Player (PSAL 2018–19); 5 Wickets Haul (PSAL 2018–19); Top 5 wicket-takers in Queens.
